

Parish Council Meeting Minutes 9/12/20

Approval of May notes not necessary, as it was a discussion of COVID protocols with beginning Masses.

Pastor's Comments:

- PSR is returning September 20th online until the church opens in October. There is a possibility that the classrooms will be able to open prior to the sanctuary.
- LifeTeen may use Higgins Hall for meetings.
- The church is currently predicted to open on October 3rd, but realistically will probably open in late October/early November.
- Apostolate sign up will move to February 2021.
- Mass schedule in the new church will remain the same.
- Outdoor Mass will remain due to COVID for the foreseeable future.
- Usher and Lectors will have a meeting on protocols in the new church.
- The dedication of the new church will hopefully occur after COVID dies down, and restrictions are removed. Father wants as many attendees as possible.
- Apostolates will need to be worked through the new church to prevent too many hiccups with reopening.
- Certificate of Occupancy will allow the use of classrooms.
